Pen Pals

WALLOWING IN YOUNG SNAITCH

Dear JUST 18 Magazine: I am writing this to share with you how much joy your publication brings into my life. Flipping through the pages brings me back to my youth, when I was handsome and strong and could fuck any girl in the neighborhood. And let me tell you, I had them all. I pocketed a few pairs of panties as souvenirs but they have all been misplaced long ago. I still get a lot of pussy even though I am older and fatter, but I never have access to the pussy that I truly crave—that fresh, elastic pussy that can only be found between the silken thighs of an eighteen-year-old girl. Your magazine gives me the opportunity to wallow in young snatch and stroke myself back to my glory days when I was taking down hot babes left and right. Thanks, JUST 18, thanks a lot.—Lipton in FL

SEVENTY-TWO HONEY POTS

Dear JUST 18: Do you think in heaven all of the angels are naked? That's what I believe. I believe that actual heaven is not unlike an issue of your most perfect and precious magazine. All of the angels above are ripe and perfect and precious, just like the angels in your magazine that sweep apart their legs and flutter their sticky cunny lips like wings. I want to kiss each and every one of them down there, thrust my tongue deep into the center of their heavenly honey pot. In heaven, we will get to love and touch and play with each other for ever and ever. That is why I like your magazine so much because it is a promise of all the lovely things to come.—Randy in WA

PUD PULLER

Dear JUST 18: Lemme lay it out like this—I like to jack off. A LOT. If I am not working or sleeping, I am pulling my pud. And chances are that my shit's tucked up into my hand even when I'm catching some ZZZs. But even a boner fide horn-dog such as myself can't rub one out every free second of every day without a little bit of inspiration. I keep old issues of JUST 18 stashed around everywhere to peek at when I need to wring some sap outta my wood. I even have one page torn out folded up in my wallet in case of emergencies. I know I said I don't pleasure myself at work, but that isn't the entire truth. Anywho, I can't say who the pic is of but it's a close up shot of a pussy shaved smooth and its so detailed I can see a couple of goose pimples sticking up on the outside lip. Man, just describing it has me popping a chub. I'm going to have to get it laminated one of these days before it completely falls apart.—Chip in NY

ONLY THE BEST!

Dear J18: High five on being the best young girlie rag around! No one else has as consistent quality control on the quim they publish photos of. Some of the chicks in the other titles, man are they dogs! I mean dogs you don't even want to know doggy style. But the ass in J18, now that's tail I always want to spill my seed on. I can't decide what turns me on more—the chicks who seem all shy and sort of innocent in their pics, they spread their legs but don't get up in there and prop their slit open, the ones who look like they haven't never been fucked yet. Or the chicks that seem like they know a little something about something, like they've been around the block on their backs once or twice, the ones that finger themselves in front of the camera and pull apart their hot buns to give me a lusty wink with their brown eye. Both types of chicks make me hella stiff. I'd fuck the shit out of either kind, I gotta be honest.—Wells in IA

A LUSH BUSH AND HAIRY PITS

Dear JUST 18: I took a trip to Europe a long time ago and have been haunted ever since by the gorgeous women I encountered there. I would like to make a suggestion: could you please find more models with a European attitude towards shaving off their body hair? What I mean is, I would like to see more pictures of girls with full, lush bushes and hairy armpits. I know, my taste is not the same as everyone else, but nothing makes my dick as hard as seeing a young lady with a girl's face and tits and a woman's bush. Fuzz in the armpit area is just frosting on the cake, so to speak. I like to imagine burying my nose beneath her arm and breathing in her personal scent as I slowly and carefully mount her.—Geoff in CT

TUTU CUCKOO

Dear J18: OK, for as long as I can recall I have had this thing for ballerinas. I love their hair all severe and slicked back into a bun and their outfits! Tights and tutus and all in that delicious skin color. Do you think you could find some ballerinas who would be willing to pose for your magazine? If not real ballerinas, then a few open-minded gals who would at least fix their hair the right way and wear a tutu with tights underneath that have the crotch ripped out so that they can show of their succulent young clams? God what I would give to eat out a little darling dressed like a ballerina, the stiff folds of her tutu tickling my ears as I nibble her clit and make her cum over and over again.—Philip in NJ

8 SUZUKI & ANNETTE

My gym buddy Suzy is a total knockout. She's got long dark hair, skin the color of a creamy latte, and flawless toned legs. But it's her boobs that get me every time, the way they bounce and jiggle beneath her workout top as she punches the bag. I totally can't take my eyes off of them! Well the other day she caught me looking and hiked down her top so I could see them bare. Then she peeled off my bottoms and licked every inch of my ass—after admitting she'd been dying to do it to me for months! After that we ditched the gloves and got busy getting each other off. Suzy had some twat toys stashed in her gym bag and we used them to pound out each other's box. By the end I was sore but very satisfied. It was by far my hottest, wettest workout, ever!

Laura

I don't know if this makes me a hippie, but I friggin' looove nature. Passionately. Like it gives me a lady boner. I'm not even kidding—if the air is the right temperature and the sky is the right color and the wind blows my hair just so, my clit totally starts to throb. Which is why I always bring along a sheet with me when I go for a stroll out-of-doors, so I can drop and do myself the very second I'm struck by the urge. I like the way my panties smell with a trickle of pussy sweat soaked into them and how a gentle breeze can tease my nipples to attention. There's not one thing in this world better than a golden ray of sunshine skimming across my crotch...it makes me feel so warm and sexy inside. And so I give myself an O by pinching my little pink pearl while grass blades tickle my naked behind.

Senior
Scrapbook

THE NERD SQUIRTS AGAIN!

by Lauren Loquitzak

Dear JUST 18: I really enjoyed reading Prentiss Pzarko's Senior Scrapbook story in your January 2013 issue about how she has Homework Slaves and Cock Slaves at Bloomthorne College. One guy to do her schoolwork, and another to satisfy her sexual needs. Well, I'm a sophomore at college myself (I can't mention the name of the particular institution though) and that trend has hit my campus too, except the girls at my school are even more strict. Homework is not enough duty for guy slaves here; besides doing research and writing papers these "beta boys" have to also do laundry, housecleaning, and run errands. We don't call them slaves either, but "nookie nerds." Because when it comes to nookie, they are nerds and don't get any except in their dreams and pee-pee-pulling fantasies.

My nookie nerd is named William and I keep him plenty busy; but if he does as he is told, he can get rewarded. The other day I came back to my apartment—even though I am only a sophomore, I live off campus now because my superior intelligence convinced the Dean of Housing it was feasible—and I immediately asked William if he had finished all his chores. He was wearing only tighty-whities and bowing before me just inside the front door.

"I still have to dust the living room," he said.

"Well you better snap to it, because Lars is coming over soon."

Lars is not what would be called a "cock slave" like at Bloomthorne College, but just a "stud" here at my school. The girls on my campus don't consider an "alpha guy" who can fulfill our vaginas to be a "slave" but a stud or even a kind of sexual artist. Anyway, when Lars comes over to hook up with me, William goes in the other room and sits naked and very quietly listening to what we're doing, but he doesn't make a peep. He has to sit on his hands so that he doesn't play with himself.

"All right then, William, finish the dusting because Lars will be here shortly and you know he's allergic to dust-balls." William immediately got his feather duster and went to work, and managed to finish the chore in about ten minutes.

"Fine, good job!" I said. "Now strip off those ridiculous white underpants and go into the next room, my nervous little nookie nerd! Lars will ring that doorbell any minute now." Naughty William beamed at my words. He loves to be teased by me as I stand with one hand on my hip and my other hand directing him with a pointed manicured forefinger into the other room.

I changed my clothes so I'd be more comfortable, and by the time I was done, William was sitting naked on a hardback chair in the other room, his butt cheeks covering his fingers. His silly boner was standing up, and I could only smile at it. Then the bell rang, and I closed the door of William's room and went to let Lars in. He's a sexy junior, on the football, hockey, baseball, basketball, wrestling, lacrosse and ping-pong teams, and with an activity load like that, he doesn't waste any time in getting to the point.

"You're looking good today, Lauren," he said, pulling me close and kissing me on my neck.

"I'm glad you're ready to have some fun, Lars, because I have to study for my test in Hazards in Modern Idolatry later."

I knew that through the thin door my nookie nerd would be able to hear every last sound, every groan, perhaps even the squishes of my vagina as Lars and I did our thing on the daybed in the living room, our preferred location for lust.

I could only imagine William's little boner leaking a clear stream of eager fluid down his four inches as he imagined the visuals to go with the audio.

"So where's your nookie nerd tonight?" said Lars, as he pulled off my pants.

"In the next room, where do you think?"

"Just want to know that he's not going to walk in the front door after running errands or something, and interrupting me when I'm buried balls deep in your box, babe!"

"Oh you," I said, tugging off Lars' pants as well.

His cock sprang into my hand. As I began to suck it, I looked around the living room with satisfaction. William had done a very good job of dusting. Isn't it funny that a big strong athlete like Lars could be made weak by a dust allergy? But it's true, and it's part of a nookie nerd's job to make sure that his queen's stud is comfortable in all ways, and if that means dusting, dusting is the job.

I opened my mouth wide and took a lot of Lars into my face. I rolled my tongue around his veiny inches, cupping his balls in my hand as I knew he liked. He sunk back into the daybed and smiled as I worked my magic on his outrageously satisfying penis.

"I love your dick," I said, then shutting myself up by moving my mouth up and down on Lars' length. I reached my hand up to play with his nipples, which I knew he loved. Looking at him, I saw his eyes close in the ecstasy I always delivered.

When Lars was fully hard, I climbed on top, sliding my pussy down onto his shaft with the slow teasing movement I knew he loved. There's always a moment when my pussy meets his nuts that drives Lars crazy, and so I am sure to draw it out. Suspense, you know? But finally I settled down on him with a squish.

"Oooooohhh Larrrrsssss," I said, making sure my voice was nice and loud so my nookie nerd could hear it clearly in the next room.

I knew exactly what William was doing: sitting obediently and listening to every moment of my glorious fuck.

The daybed always makes a lot of noise when fucking is happening on top of it, squeaking in

a metallic way. It's even more noisy when Lars and I shift to doggie style, as we did after awhile. I like doggie style, because I like the feeling of being banged from behind with my face grinding into the bed.

Lars was about to cum, and so was I because I'd reached up and was rubbing my clit like crazy. My nipples felt like two metal buttons, they were so stiff. Lars' strong fingers dug into my ass as he thumped back and forth into my veeg, sending out a symphony of sounds into the ears of my nookie nerd.

"Here it comes, you dirty sophomore!" Lars cried. Pulling

out, he sprayed long bursts of cream all over my ass and back, even while I was sliding down on my belly as I came on my own hand.

"Lookit Lauren," said Lars, "I think I made an abstract painting on your back and ass." When he was away from the athletic field, Lars was fulfilling a requirement of all jocks at our school, to take at least one art history course to make him a "more well-rounded person."

"Yeah, you're a real Jason Pollock," I muttered, reaching around and scooping his gizzum off my ass crack.

"Don't you know nothing?" he said. "The abstract expressionist painter's name was JACKSON Pollock, not Jason."

"I know that, lover boy. I was only testing to see if you've been doing all your required reading."

Lars laughed, knowing my sarcastic sense of humor, then slumped down next to me on the daybed. We fell asleep for awhile, which I suppose was cruel for my poor nookie nerd William, in the next room waiting to hear the next developments. After about twenty minutes, though, we woke up, and Lars got dressed. He had to get back to his dorm to finish studying for a test about "Jason" Pollock. I mean Jackson.

When he left, I went to see William. I was naked, and a little sticky from where Lars' cream had dried. William's eyes were wide; his cock was stiff.

"Well, nookie nerd, was that a good show?" I asked.

"I learned so much, Miss Lauren. I learned all the right things to say to a girl when I get to fuck one someday."

I laughed. "You always say just the right things, William. You dust well, you run errands well, you do my homework well, and I can tell by the state of your cock that you obeyed me and didn't move your hands out from under your ass. Good boy. Good nookie nerd. Your reward is—a squirt!"

"Oh thank you Miss Lauren!"

And that's how the evening ended, with me standing over William as he stared at me and stroked his cock about ten times before he began squirting stuff up in the air. I couldn't blame him for cumming so fast, though. The last time I let him squirt was two months before, right after he finished his freshman orientation. Yes, William is a freshman. They make the best nookie nerds. So pliable at that age, know what I mean?

Ah, power over boys is such a wonderful thing! 

There's this guy, Dupree, who's been laying it on thick lately. I've heard he's a total player—he's been with several of my friends—but he's hot so I figured I'd go ahead and fuck him...it's not like I'm looking to get married, right? I invited him over and as soon as we started fooling around I knew he was going to be the best lay of my life. The way he touched me set my insides on fire and my snatch was sopping wet before all of my clothes were even off. And the way he worked his cock in and out of me—he was so intense yet so gentle at the same time. I lost count of how many times I came, 3? 4? One orgasm melted into another. And when he shot his wad in my mouth, I swear it was the yummiest thing I've ever tasted. Now I know why all my girlfriends dig Dupree!

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

If there's one thing people need to know about me, it's that I'm a badass B. I mean, I'm a very nice person and all that but when I jam out it's with my clam out and I never apologize. To me, the only thing more awesome than a sick guitar lick is having my pussy licked and, whenever I can manage it, I prefer both things to be going on at the same time. I don't think of myself as a party girl per se, but I like to have my body rocked and then lie back and just roll with the O's. I do guys and girls—in fact, threeways are my fave. But I am always up for playing solo. Me and my snazzy silver vibe can accomplish great things. When I stick it in and spin the dial to "HI," I rocket straight to climax city. Cya!

My BF Nate is no handyman, basically the only thing he can nail properly is me. So I knew something was up when he offered to help hang my new curtains...and as it turned out, it's his dick that was up! Not that I minded much—I'd rather do the nasty with Nate than anything else on earth. So I lay down on the bed and let him have at me. After a lot of wet kisses and plenty of oral, Nate slid himself into the center of my slit. Since I'm a spinner, we tend to switch positions a ton in the sack. He took me in mish, then doggie and then I climbed on top and rode cow-girl, both reverse and regular. As I clenched my cunt muscles tight and bounced up and down, I felt Nate pop deep inside. Then he spread my cheeks wide to leave a lot of room for my ooey gooey cream pie. 🍌

MELANIE

IDK WTF happened to me, but starting pretty much the second I turned 18 my bod has been in horniness overdrive. All I want is for someone to suck on my titties, twiddle my clitty, fuck me unconscious, then wake my ass up and fuck me some more. I ran out and got a tat on my tummy, a sexy tribal shape that draws the eye down to my va-jay, just to let everyone know where the party at.

Between my thighs, y'all! Be sure to BYOB, aka: bring your own boner! I literally ache for cock, day and night. That's why I'm so glad I snagged a dildo from the sex shop that was next to the tattoo parlor. I use that red little fucker like ten times a day! I don't quit until my pussy is as juicy as an overripe peach and my heart is pounding like OMG. 🍑

Sale to minors forbidden - All performers are over 18 years of age

I'm the type of chick who will try anything once. So when I met two meat-head dudes who claimed to be into "extreme sport fucking" and wanted to hook up, I was like, "Why not?" I mean, life is too short to pass on what could potentially be an earth-shattering orgasmic experience. So I met them at their gym and boy was I horny. I'd spent the night before limbering up my holes at home so I could be sure to handle whatever my new pals dished out. And boy, was I glad I practiced pecker preparedness! The first thing those two did after stuffing my mouth full of cock was stretch my asshole wide. But god it felt so good! I bucked and sucked and yowled like a cat in heat. I came so hard that I saw stars and then suddenly I had a mouthful of two thick, hot loads. Wowzers, what a wild ride!

eva

Unlike a lot of the girls I know, I'm very particular about what I put inside of my pussy. I won't bother with anything that's too tiny, and I'd rather use a dildo on myself then get with a guy who's got an itty bitty ding dong. If that makes me a size queen then so what. There are way worse things to be, like a skank or a ho or a silly slut. Let them boink all the boyish boners while I curl up with my giant black dong and wait for some worthy man meat to come along. Mmm, how I adore stallion-sized studs. The feel of a huge head, slippery with pre cum, easing its way into my eager puss makes me tingle all over. I hold my breath, wondering if he will fit, and then suddenly I feel balls bounce off my buttcheeks and I know my hung hunk has found his way home.
